

Cold Email Swipe Kit

Zenout Labs product library

Short outreach scripts, subject tests, follow-up timing, and reply tags for low-call selling.

What it sells

A compact email workflow that saves setup time and gives the buyer a simple decision system.

Starter files

Subject bank, Email scripts, Follow-up tracker, Reply tag sheet

Free hook

Publish a useful calculator, checklist, or CSV sample. The paid kit should feel like the organized next step.

Next action

Make the listing, attach the files, write a short FAQ, and improve the kit from the first buyer questions.
