

Commodity Contract Screener

Zenout Labs product library

Early worksheet for tracking public contract leads, sources, notes, and next actions.

What it sells

A compact research workflow that saves setup time and gives the buyer a simple decision system.

Starter files

Source tracker, Fit scorecard, Contact status, Risk notes

Free hook

Publish a useful calculator, checklist, or CSV sample. The paid kit should feel like the organized next step.

Next action

Make the listing, attach the files, write a short FAQ, and improve the kit from the first buyer questions.
