

Privacy Analytics Starter Kit

Zenout Labs product library

Simple website metrics scorecards, weekly review sheets, and privacy-first tracking setup notes.

What it sells

A compact analytics workflow that saves setup time and gives the buyer a simple decision system.

Starter files

Metrics scorecard, Weekly analytics review, Traffic source tracker, Setup checklist

Free hook

Publish a useful calculator, checklist, or CSV sample. The paid kit should feel like the organized next step.

Next action

Make the listing, attach the files, write a short FAQ, and improve the kit from the first buyer questions.
