

Product Validation Scorecard

Zenout Labs product library

Score demand, pain, buyer clarity, build effort, distribution, and bundle potential.

What it sells

A compact validation workflow that saves setup time and gives the buyer a simple decision system.

Starter files

Validation sheet, Buyer clarity notes, Distribution score, Build decision log

Free hook

Publish a useful calculator, checklist, or CSV sample. The paid kit should feel like the organized next step.

Next action

Make the listing, attach the files, write a short FAQ, and improve the kit from the first buyer questions.
